MASTER'S PROGRAMME I WISH TO TRANSFER TO

Name and major of the master's programme	Credits already completed towards master's degree
--	---

I have read the instructions and recommendations of the School of Science regarding the transfer [into](#).

I hereby apply for transfer to study in a master's programme according to the degree regulations 2013. I am aware that after transferring to study according to the degree regulations 2013, I cannot change my choice of master's programme or go back to studying according to old degree regulations.

Transferring does not change the overall duration of study. The period of validity of the right to study remains unchanged.
