- Chemical Engineering
- Computational Engineering
- Economics
- Quantum Technology
Topics covered

- Accepting your offer
- Residence permits
- Tuition fees and scholarships
- Accommodation
- Starting your studies
- Orientation
Accepting your offer

• You can accept your study place offer at Studyinfo until the 15th of July, 3pm (EEST). Acceptance link has been sent by email from studyinfo.fi.

• If you are applying with an incomplete degree, the final diploma needs to be submitted by the same deadline.
  ➢ If you are unable to submit the final diploma on time, contact the Admission Services (admissions@aalto.fi) before the 15th of July.

• If you are accepted from the reserve list, you will have 7 days to accept the study place. The reserve lists close at latest on the 2nd of August, 3pm (EEST).
Residence permits

- Start your residence permit process as soon as possible.
  - Migri’s webinar on Students’ residence permits is available at https://youtu.be/0WRG5sGDHC4
- Importance of complete application.
- Common causes for rejections: finance & insurance.
- Enrolment as attending not required for residence permit.
- University cannot influence the process.
- Contact us if no news of residence permit by mid-August.
Tuition fees

- **Invoices** are sent after acceptance of offer is confirmed.
  - Payment deadline is **30 days from the invoice**.
- **The tuition fee must be paid as a single instalment** for each academic year.
- **A receipt** is sent as soon as the payment has cleared.
- **Accepting offer does not mean obligation to pay.**
  - No obligation to pay if unable to start.
  - Full refund of paid tuition fee for delayed or rejected residence permit.
- **Full tuition fee payment** (or 100% scholarship) **required for enrolment**.
Scholarships

- Aalto University Scholarships are offered as tuition fee waivers and are allocated only during admission process.
  - no reserve lists for scholarships
- Incentive-based scholarship (€1500) rewards fee-paying students making good progress in their studies. The scholarship can be applied for after each academic year.
- No living cost scholarships for BSc students
- In force majeure situations, scholarship deferrals available.
Accommodation

- Affordable, good-quality housing is available for both Finnish and international students
- Rent in student housing usually includes utilities
- Apply for accommodation early
- Follow updates on the main service providers’ websites:
Starting studies: Otaniemi campus
