Better Business - Better Society

With experience spanning more than a century and an established track record of conducting high-quality research, we at Aalto University School of Business are well-equipped to educate the influential leaders of tomorrow.

The School of Business is the leading business school in Finland and ranks among the best in Europe. The School provides students with a multidisciplinary, international learning experience. The focus is on teaching through real life challenges, real cases, consultancy projects, and internships, in close cooperation with the business community and the rest of the society. The School of Business is a community of 3,500 students and 113 faculty members with approx. 600 international students a year, totalling 16% of the student body.

Triple Crown status
Aalto University School of Business is the first business school in the Nordic countries to have received all three labels of excellence from the world’s leading business school accreditation bodies: AACSB, AMBA and EQUIS. This Triple Crown status is an honour held by only a few business schools worldwide.

CEMS – global cooperation
CEMS is a global alliance of leading business schools and multinational companies. It constitutes of 32 academic institutions, 65 international corporate partners and 7 social members. The member schools together, in close cooperation, produce the CEMS Master’s in International Management (MIM) programme. At Aalto students can do Master in Global Management (M.Sc.) or in any other major with CEMS MIM. The Aalto University School of Business is the only institution in Finland offering the programme.

PIM
Partnership in International Management (PIM), a consortium of 65 top business schools from around the world that share reputations for academic excellence regionally and globally. The expertise acquired within PIM permits member schools to enhance their international commitment. The School of Business is a select member of the network.

Aalto University Executive Education Ltd

Application Information

Students interested in an exchange at the School of Business are first to contact the study abroad coordinator at their home universities. The School of Business accepts exchange students nominated by its partner universities only. After being nominated by the home universities the students will receive a link to an online application form. Students are to provide a CV, a photo and a transcript of records as attachments. Once the application is completed and approved, the students will receive an official letter of acceptance. More information at into.aalto.fi > New students > Incoming Exchange Students.

Application Deadlines

Autumn Term - Application of Admission (incl. housing): April 30th
Spring Term - Application of Admission (incl. housing): October 15th

Language Requirements

Although no official test records of English like TOEFL or IELTS are required, we expect nominated students to be proficient in English both in writing and in communicating in the classroom in order to fulfill the course assignments. The home institution verifies students’ proficiency prior to nominating them to Aalto. The expected level of English proficiency is equivalent to IELTS 6,5 (total) or TOEFL 92 (total).

Visa Requirements

Depending on the nationality and the length of stay, the student may need a visa or a residence permit. Students should immediately proceed with the visa/residence permit application after receiving the letter of acceptance as the process takes up to 6 weeks. Travel arrangements should only be made once the visa/residence permit has been issued. Information about Finnish consulates and embassies can be found at formin.finland.fi

Orientation and Tutoring

Orientation days are organized at the beginning of each semester. Two local student tutors lead tutor groups of approximately 10 exchange students. The tutoring service is organized in close cooperation with the Student Association.

On Campus Services

Group training and gym are offered by Unisport. Career Services offers career counselling, Aalto CareerWeb for vacant positions, workshops on CV writing and job hunting skills. Campus wide wireless network is available.

Benefits for Students

Exchange students are entitled to discounts in transportation and student-priced meals in student cafeterias. Students may join the Aalto University Student Union (AYY). The student union organizes many leisure time activities such as parties, field trips, sports and cultural activities. Visit ayy.fi/en/.

Health Insurance

Citizens of non EU/EEA countries who are studying longer than three months in Finland are required to have a valid health insurance when applying for residence permit. Students from EU/EEA countries are entitled to medical care while staying temporarily in another EU/EEA country with European Health Insurance Card (EHIC). Private insurance is however strongly recommended as an additional security.

Campuses

Otaniemi Campus

The Otaniemi is located 9 km from downtown Helsinki. A metro ride from downtown to Otaniemi takes only 12 minutes. Aalto University has its own metro stop in Otaniemi right next to the School of Business.

As of spring 2019 Aalto’s core disciplines - Engineering, Business, Arts, Design and Architecture are all on the same campus. The multidisciplinary spaces like the Design Factory, Media Factory, Health Factory and Science Factory, the Sustainability Hub and the Startup hub, A Grid hosting 130 startups and the UN Until Lab are all located on the campus.

The new building of the School Arts, Design and Architecture (ARTS) and the School of Business is located at the heart of the Otaniemi campus as well as grocery shops, restaurants and coffee shops at A Bloc center. With surrounding companies, startups and technology parks the university campus is tightly integrated to support creation of new information and innovations.

Mikkeli Campus

The Bachelor’s Programme in International Business is offered at the Mikkeli campus which is situated 230 km north-east from Helsinki. Mikkeli is located in the largest lake district in Europe surrounded by untouched nature.

Housing

In the Helsinki region main student housing organization is HOAS (Foundation for Student Housing in the Helsinki Region). Another student housing organization is AYY (Aalto University Student Union). Kindly note that AYY doesn’t have furnished apartments. Student apartments typically consist of 3-5 bedrooms, a shared living room, kitchen and bathroom. Student apartments are situated around the Helsinki area. Students apply for housing directly through the above organizations.

Living expenses

Rent: in student housing 350-600 euros/month, in private market 600+ euros/month. Transportation: 33 euros/month (AB ticket). Food and daily necessities: 150-200+ euros/month (Student lunch at university cafeterias 2.60-4.85 euros).

Autumn term exchange students can experience the world class start-up event Slush by volunteering.
Aalto unique features
The university emphasizes multidisciplinary teaching and learning and has introduced Aalto Cross-School Courses and University Wide Art Studies (UWAS) i.e. Entrepreneurship and Innovation Management, Design and Creativity in Business, and Business and Society. UWAS courses offer access to design thinking for every discipline in the university. There are diverse cross-disciplinary activities to learn design thinking and gain insight into working in multidisciplinary teams.

Start-up scene
Startup Sauna and Aalto Entrepreneur Society (AaltoES), as well as Slush and Summer of Startups are examples of the genuine student-driven start-up scene at the university. Around 70-100 new companies are born at Aalto University each year.

Factories
Design Factory, Health Factory and Media Factory act as joint platforms combining the expertise of Aalto University’s schools in product development, health and wellbeing, and media. The Design Factory is an open environment for research and education on product development. The concept is implemented around the world.

Art and Creativity
Art, design and creativity drive innovation and entrepreneurship. These concepts radically challenge our society and culture. They generate new knowledge and understanding and create value by leveraging humane designs and viable solutions. The university develops and promotes art-based activities across disciplines, knowledge frameworks and communities. The School of Arts, Design and Architecture is ranked #7 by QS in the world.
