**Aalto university incentive scholarships for doctoral students during 1 January 2022 – 31 December 2025**

The criteria of awarding Aalto University incentive scholarships apply to doctoral students in School of Arts, Design and Architecture, School of Chemical Technology, School of Electrical Engineering, School of Engineering and School of Science. The School of Business has individual incentives for doctoral students.

Incentive scholarships will be awarded as follows

**500 euro scholarship**

- for doctoral student for the first two scientific articles or artistic works to be included in the doctoral thesis, in which the doctoral student is one of the main authors, published on a publication forum specified by the Aalto school. Publication forums are defined by each School. One student cannot get more than two 500-euro scholarships from Aalto incentive scholarship scheme.

**2,000 euro scholarship**

- for completing the doctoral degree, provided the following conditions are met within four years of being admitted to doctoral programme:
  - The doctoral student has completed the studies in accordance with his/her doctoral personal study plan approved for the doctoral degree and the Doctoral Programme Committee has appointed the preliminary examiners for the doctoral thesis manuscript.

  or

- for completing the doctoral degree, provided the degree was earned by the end of the calendar year the doctoral student turns 30.

The time spent on maternity and parental leave as well as national military or non-military service completed may be excluded from the calculated duration of study. However, if the scholarship is age-related no deduction is granted.

The scholarships will be awarded according to the above-mentioned criteria for doctoral students who have met the conditions for receiving a scholarship during 1 January 2022 – 31 December 2025.

The schools shall award scholarships based on the application made by the doctoral student. The application has to be submitted within six months of the fulfillment of the scholarship criteria. We shall follow “Laki säädettyjen määraaikain laskemisesta, 1807/25.4.1930/150” when suitable.
