**SCI majors**

**Master’s Programme in Computer, Communication and Information Sciences**
- SCI3042 Computer Science
- SCI3043 Software and Service Engineering
- SCI3044 Machine Learning and Data Mining
- SCI3045 Mobile Computing, Services and Security
- SCI3046 Game Design and Production
- SCI3084 Security and Cloud Computing

**Master’s Programme in Engineering Physics**
- SCI3056 Engineering Physics
- SCI3057 Physics of Advanced Materials
- SCI3083 Advanced Materials for Innovation and Sustainability

**Master’s Programme in Industrial Engineering and Management**
- SCI3048 Leadership and Knowledge Management
- SCI3049 Operations and Service Management
- SCI3050 Strategy and Venturing

**Master’s Programme in Information Networks**
- SCI3047 Information Networks

**Master’s Programme in International Design Business Management**
- SCI3062 International Design Business Management

**Master’s Programme in ICT Innovation**
- SCI3081 Cloud Computing and Services
- SCI3023 Digital Media Technology
- SCI3024 Embedded Systems
- SCI3020 Human-Computer Interaction and Design
- SCI3082 Software and Service Architectures

**Master’s Programme in Life Science Technologies**
- SCI3058 Bioinformatics
- SCI3059 Biomedical Engineering
- SCI3060 Complex Systems
- SCI3601 Human Neuroscience and Technology

**Master’s Programme in Mathematics and Operations Research**
- SCI3053 Applied Mathematics
- SCI3054 Mathematics
- SCI3055 Systems and Operations Research
