

Get to know Finland course Mon-Fri 26.8-30.8. 2019

Location: Otakaari 1, room **XX** (Main building of Otaniemi Campus) Starting Monday 26 August at 10:15

Welcome to the Get to know Finland course! This course will present to you some key aspects of **Finnish culture and society**. We will study the culture of Finland, and the dynamics of its formation, through observing aspects of Finnish history, society, architecture, paintings, music, films and popular culture.

The course contains an intensive week in August (26.8.–30.8.) with **lessons every day at 10:15-11:45 and a city tour in Helsinki**. In addition to this, you need to reserve time every day for group work and individual homework (2 h). Passing the course requires regular attendance, active participation in class / group meetings and completion of the given homework and the final cross-cultural journal. The course will be carried out on **Otaniemi campus (Espoo)**. The teacher of the course is **Leena Kuivanen**.

Enrolments from June! New degree -seeking students at Aalto School of Engineering starting 2019 will be send an e-mail about enrolment to the course.
