Leading the Way

With experience spanning more than a century and an established track record of conducting high-quality research, we at Aalto University School of Business are well-equipped to educate the influential leaders of tomorrow.

The School of Business is the leading business school in Finland and ranks among the best in Europe. The School provides students with a multidisciplinary, international learning experience. The focus is on teaching through real life challenges, real cases, consultancy projects, and internships, in close cooperation with the business community and the rest of the society. The School of Business is a community of 2,700 students and 103 faculty members with approx. 600 international students a year, totalling 16% of the student body.

Triple Crown status
Aalto University School of Business is the first business school in the Nordic countries to have received all three labels of excellence from the world’s leading business school accreditation bodies: AACSB, AMBA EQUIS. This Triple Crown status is an honour held by only a few business schools worldwide.

CEMS – global cooperation
CEMS is a global alliance of leading business schools and multinational companies. It constitutes of 30 academic institutions, 70 international corporate partners and 5 social members. The member schools together, in close cooperation, produce the CEMS Master’s in International Management (MIM) programme. At Aalto the CEMS programme provides students with two degrees – Master in Global Management (M.Sc.) or and the CEMS MIM. The Aalto University School of Business is the only institution in Finland offering the programme.

PIM
Partnership in International Management (PIM), a consortium of 60 top business schools from around the world that share reputations for academic excellence regionally and globally. The expertise acquired within PIM permits member schools to enhance their international commitment. The School of Business is a select member of the network.

Aalto University Executive Education
Executive education and professional development services are provided under Aalto EE, Aalto PRO, and Aalto ENT. Aalto EE offers MBA programs in Finland, Singapore, Poland, South Korea, Taiwan, Indonesia and Iran. Aalto EE is the most renowned actor in the field in Finland and offers its services in Asia and in a number of countries in Europe.
