Leading the Way

With experience spanning more than a century and an established track record of conducting high-quality research, we at Aalto University School of Business are well-equipped to educate the influential leaders of tomorrow.

The School of Business is the leading business school in Finland and ranks among the best in Europe. The School provides students with a multidisciplinary, international learning experience. The focus is on teaching through real life challenges, real cases, consultancy projects, and internships, in close cooperation with the business community and the rest of the society. The School of Business is a community of 2,700 students and 103 faculty members with approx. 600 international students a year, totalling 16% of the student body.

Triple Crown status
Aalto University School of Business is the first business school in the Nordic countries to have received all three labels of excellence from the world’s leading business school accreditation bodies: AACSB, AMBA EQUIS. This Triple Crown status is an honour held by only a few business schools worldwide.

CEMS – global cooperation
CEMS is a global alliance of leading business schools and multinational companies. It constitutes of 30 academic institutions, 70 international corporate partners and 5 social members. The member schools together, in close cooperation, produce the CEMS Master’s in International Management (MIM) programme. At Aalto the CEMS programme provides students with two degrees – Master in Global Management (M.Sc.) or and the CEMS MIM. The Aalto University School of Business is the only institution in Finland offering the programme.

PIM
Partnership in International Management (PIM), a consortium of 60 top business schools from around the world that share reputations for academic excellence regionally and globally. The expertise acquired within PIM permits member schools to enhance their international commitment. The School of Business is a select member of the network.

Aalto University Executive Education
Executive education and professional development services are provided under Aalto EE, Aalto PRO, and Aalto ENT. Aalto EE offers MBA programs in Finland, Singapore, Poland, South Korea, Taiwan, Indonesia and Iran. Aalto EE is the most renowned actor in the field in Finland and offers its services in Asia and in a number of countries in Europe.

• Information & Service Business (ISB)
• Strategy & Experience Design (SED)
• Digital & Interactive Entertainment (DIE)
Each track is worth 24 ECTS (three courses and company project). Application is in March every year. More info at itp.aalto.fi or from Program Manager, Laura Sirula at laura.sirula@aalto.fi.
Summer Studies: Short-term Option
The Bachelor’s Program in International Business is offered in English in Mikkeli campus, situated 230 km from Helsinki. The courses, 6 ECTS each are lectured in 3-week modules around the year.
MBA Programme
Aalto University Executive Education offers MBA studies and a variety of executive education. The MBA courses are offered in two-week modules around the year. The programme accepts exchange students from select partner universities only. More info at aalto.fi.
Doctoral Programme
The Doctor of Science in Economics and Business Administration is a 4-year full-time doctoral programme. The School provides funding for the first two years. Info at info.aalto.fi/display/endocareerdb.
The specialization areas, Business, Economics and Finance comprise Common Studies and Disciplinary Studies. The Aalto Executive DBA offered by Aalto EE is a doctoral level program for experienced professionals who wish to merge professional practice with theoretical perspectives.
Course Offer
Over 160 English-taught business courses are available in many disciplines. In addition there are multidisciplinary courses available called Aalto Cross-School Courses and University Wide Art Studies (UWAS). Course list and descriptions are available at into.aalto.fi > School of Business > Incoming Exchange Students website.
Academic Evaluation and Credits
A full-time study program is 1500 hours per year, which equals to 60 ECTS credits. Most courses are 6 ECTS credits. One ECTS credit stands for approx. 27 working hours. These hours include all the work required for completing a course (lectures, projects, cases, exam, independent study). Full-time workload per term is 30 ECTS for undergraduate and graduate students.

Application Information
Students applying for an exchange at the School of Business are first to contact the study abroad coordinator at their home universities. The School of Business accepts exchange students nominated by its partner universities only. After being nominated by the home universities the students will receive a letter to an online application form. Students are to provide a CV, a photo and a transcript of records as attachments. Once the application is completed and approved, the students will receive an official letter of acceptance. More information at into.aalto.fi > School of Business > Incoming Exchange Students website.
Application Deadlines
Autumn Term - Application of Admission (incl. housing): April 30th
Spring Term - Application of Admission (incl. housing): October 1st
Language Requirements
Visa Requirements
Orientation and Tutoring
Orientation days are organized at the beginning of each semester. Two local student tutors lead tutor groups of approximately 10 exchange students. The tutoring service is organized in close cooperation with the Student Association.
On Campus Services
Group training and gym are offered on both campuses by UniSport. Career Services offer career counselling, Aalto CareerWeb for vacant positions, workshops on CV writing and job hunting skills. And there is a campus wide wireless network available.
Benefits from the Student Union
Exchanging students are entitled to join the Aalto University Student Union (AYU). The membership is worthwhile and it translates into benefits (student health services and discounts in transportation and student-priced meals in student cafeterias. The student union organizes many leisure time activities from parties to field trips, from sports to cultural activities. Visit ayy.fi.
Health Insurance
By joining the Aalto University Student Union students are entitled to the services provided by the Student Health Service (YHHS). The service does not cover all medical costs, so international students are expected to have a medical insurance of their own. For some international students it is mandatory to have a medical insurance in order to get a residence permit in Finland.
Campuses
The School of Business operates on two campuses in the Helsinki Metropolitan area and has one programme offered in the city of Mikkeli.
Otoniemi Campus
The undergraduate programme is offered at the Otoniemi Campus in Espoo, which is the main campus of Aalto University. The multidisciplinary spaces, Aalto Factories and the Aalto Startup Sauna are also located on Otoniemi campus. The campus is located 9 km from downtown Helsinki and can be easily reached by bus. The new metro line will open in August 2017 and Aalto University has its own metro stop in Otoniemi.
Töölö Campus
The graduate and doctoral programmes are offered at the downtown Töölö Campus in Helsinki. The School of Business will move from Töölö to a new building in Otoniemi by summer 2019.
Mikkeli Campus
The Bachelor’s Programme in International Business is offered at the Mikkeli campus which is situated 230 km north-east from Helsinki. Mikkeli is located in the largest lake district in Europe surrounded by untouched nature.
Housing
In the Helsinki region there are two large student housing organizations that Aalto works with: HOAS (Foundation for Student Housing in the Helsinki Region) and AYY (Aalto University Student Union). Student apartments typically consist of 3-5 bedrooms, a shared living room, kitchen and bathroom. Student apartments are situated around the Helsinki area. Students apply for housing directly through the above organizations.
Living Expenses
Aalto unique features
The university emphasizes importance of multidisciplinary teaching and learning and has introduced Aalto Cross-School Courses and University Wide Art Studies (UWAS) i.e. Entrepreneurship and Innovation Management, Design and Creativity in Business, and Business and Society. UWAS courses offer access to design thinking for every discipline in the university. There are diverse cross-disciplinary activities to learn design thinking and gain insight to working in multidisciplinary teams.

Start-up scene
Startup Sauna and Aalto Entrepreneur Society (AaltoES), as well as Slush and Summer of Startups are examples of the genuine student-driven start-up scene at the university. Around 70-100 new companies are born at Aalto University each year.

Helsinki metropolitan area
Helsinki, the capital of Finland, is situated on the shore of southern Finland. It is the largest city with a population of over 600,000. The Helsinki metropolitan area consists of the cities Helsinki, Espoo, Vantaa and Kauniainen with a population of 1.4 million. The city is ranked as one of the most liveable cities in the world in Monocle magazine’s Quality of Life Survey. The city has great cultural heritage and offers great outdoors: numerous islands, forests and greenery within easy reach of the city.

Factories
Design Factory, Health Factory and Media Factory act as joint platforms combining the expertise of Aalto University’s schools in product development, health and wellbeing, and media. The Design Factory is an open environment for research and education on product development. The concept is implemented around the world.

Art and Creativity
Art, design and creativity drive innovation and entrepreneurship. These concepts radically challenge our society and culture. They generate new knowledge and understanding and create value by leveraging humane designs and viable solutions. The university develops and promotes art-based activities across disciplines, knowledge frameworks and communities. The School of Arts, Design and Architecture is ranked #13 by QS in the world.
