Welcome Evening for new Master’s students at Aalto University School of Business 3.9.2018

**Time:** Monday 3rd September, at 16:30–appr. 18:30  
**Venue:** Nokia-hall, Töölö main building, Runeberginkatu 14-16, Helsinki

Aalto University School of Business welcomes the students starting their Master’s studies to meet and mingle with the School of Business community – especially with the alumni graduated from the School!

The idea of the Welcome Evening is to encourage Master’s students to create networks, learn new things and find interesting career paths already in the beginning of their studies! The event is a part of the orientation week and is for everyone starting their Master’s studies at the School of Business (also for the School of Business bachelor students continuing their Master’s in Töölö).

In the event, there will be alumni representing all School of Business Master’s degree programs. Our alumni will share their own experiences on how they have combined studying and learning with different career paths. In addition, you will hear an inspiring career talk (name to be announced later), the latest news about our new Aalto BiZ building in Otaniemi, and a brief introduction on the School of Business Career Services and Alumni Relations.

We will publish the names and organizations of participating alumni before the event on this page.

As you have about two years to go until graduation, this event is an excellent way to start planning your future career, and our alumni are there to help and give you advice!

**Programme**

- 16:15 (upper entrance hall) Small snacks served
- appr. 16:35 (Nokia-hall) Welcome, by Jonna Söderholm, the Head of External Relations, School of Business  
- appr. 16:50 (Nokia-hall) Inspiring career talk
