Registration for the academic year

Registration for the academic year is a necessity for all students, as only those listed as attending students are eligible to take courses for credit. The registration period is **on May 2 through of September 14, 2018.**

There is a secondary registration period during the first two weeks of January. It is mainly used if a student wants to change the registration made at the beginning of the academic year.

Register in WebOodi (https://oodi.aalto.fi/a/frame.jsp?Kieli=6&valittuKieli=6) > click "Student - log in" or "Personnel - log in". Also check & update your contact information.

Annual registration for the academic year is compulsory of all students as decreed in the Universities Act (Universities Act 558/2009, section 39).

If you forgot to register, you should submit an application for re-registration. Instructions and form in **Forms.**
