Aalto students can take language and communication courses offered through collaboration between Aalto University, Haaga-Helia, Laurea, Metropolia, in the following subjects: Communication (for native Finnish speakers), Finnish as a foreign language, French, German, Italian, Japanese, Spanish, Swedish, and Russian.

The language courses taken at a partner university may be included in your Aalto degree as elective studies through a credit transfer procedure. The registration of the study results is done by the Language Centre. You can send the information about your study results to languagecentre[a]aalto.fi.
