

Studies at another Aalto School?

Aalto University students may complete studies in another Aalto school. Some courses and minors are open for all while others require an application.

- So called [Aalto cross-school courses](#) and [University Wide Art Studies -courses](#) as well as Schools of Technology courses are open for all Aalto students. You need not separately apply for a study right for these courses.
- School of Arts, Design and Architecture and School of Business offer places on some of their courses for students from other Aalto Schools. Places are limited, and study right must be applied for. The application period for courses to be completed during the Spring Semester runs until November 30th.
- It is also possible to apply for a right to complete a minor at another Aalto School. Next general application period for minors at Aalto is in May 2019.
