Internships in Japan National Institute of Informatics (NII)

Apply for an internship in Japan!

Place: National Institute of Informatics (NII)

Duration: 2-6 months

This programme is for Master's and Ph. D. degree students. Master's degree students can work either on their MSc Thesis or other research topics (further information: anita.bisi@aalto.fi).

NII covers 5,700 JPY per day as sojourn expenses (about 1300€/month).

Guidelines and offered internship positions: https://www.nii.ac.jp/en/about/international/mouresearch/internship2019-1/

Applications to Anita Bisi (anita.bisi@aalto.fi) by May 15, 2019.
