

Starting your studies

Below we have compiled some of the most urgent matters to consider as a new Master's student at Aalto University School of Business.

Orientation to studies

We welcome our new Master's students to orientation that will take place **2-6 September 2019**.

The orientation starts on Monday, 2 September 2019 at 9 am with registration (main building, Ekonominaukio 1, 02150 Espoo).

Please find the orientation programme 2019 [here](#). Please note that changes may still occur! [Program](#) of the Introduction to University Services Fair on Thursday 5th.

All new MSc. students are expected to participate in the orientation week. Topics covered during the orientation are:

- practical matters and general information regarding the MSc. studies (Tuesday morning - [We highly recommend to participate especially in this session!](#))
- getting to know the Student Union (AYY) and KY (Aalto University Business Students)
- study skills and self-assessment
- other master's curriculum studies (exchange studies, JOO-studies, internal mobility, credit transfer, studying languages, CEMS)
- information retrieval and library services
- career services
- getting to know the campus and most importantly your fellow students!

We have also compiled a guide for new master's level students at the Aalto University School of Business, you can find the **Survival Guide** [here](#).

In addition to the orientation days, the Master's programmes arrange a welcoming event to their new Master's students. Please find below the welcome events of the different programmes:
