

Elective courses 2017-18

On this page you can find a list of courses that are open for all Aalto students. You don't need to separately apply for a study right for these courses.

Schools of technology courses are also open for all Aalto students. However, not all of these courses are listed on this page, but can be found on [WebOodi](#).

Aalto cross-school courses

An Aalto cross-school course is a course organized by one or more Aalto schools that is open to all students at the university, regardless of their field of study. Registration for these courses is done mainly via WebOodi, where one can also find more information about the courses. You don't need to separately apply for a study right for these courses.
