

How to apply

Prospective graduate students (outside Aalto)

If you are a prospective graduate student you can apply to the programme. The application period is once a year from December to January for studies starting in the following autumn term. For a full description of the programme and the admission criteria, please see [Admissions to Master's programmes](#).

With questions regarding the admission process, please contact Aalto University Admission Services: admissions@aalto.fi

Bachelor students at Aalto University

Students in the schools of technology can apply to continue their studies in the Master's programme in Advanced Energy Solutions (AAE). Please see the requirements for [Continuing studies in a different school of technology after a Bachelor's degree](#).

Application to the AAE programme is open **20.11.2019-31.1.2020**: [application form](#)

Please also see the Into pages of your current Bachelor's programme (siirtyminen maisteriohjelmaan). Students of the School of Chemical Engineering and the School of Engineering will need to submit their school's own application form in addition to the AAE-form.
