

Incoming Exchange Students

Dear Exchange Student,

We warmly welcome you to join the Bachelor's Program in International Business (BScBA Program) of the Aalto University School of Business in Mikkeli. From these Into-pages, you can find information to help you to enjoy your stay in Finland and Mikkeli as much as possible.

The Aalto University School of Business, Mikkeli Campus offers students an excellent opportunity to explore the world. An important feature of the academic program is that students are expected to study in a foreign university for one semester. Mikkeli Campus has wide network of partner universities all over the world and as an active exchange partner with our partners, Mikkeli Campus receives about 60-70 exchange students from abroad each year to study in the BScBA program. These international students make valuable contributions to the dynamic international program in Mikkeli.

We look forward to meeting you soon...
