

Recommended study timetable

The study timetable 2020-2022

This is the recommended study timetable of the Bachelor's programme in Design 2020-2022

Program curriculum 2020-2022 for those students who started their studies in **autumn 2020**

[2020 2022 English-medium BA Design Curriculum.pptx](#)

Please note! Some of the teaching is online and some on campus. Updated information on spaces and course arrangements will be updated in WebOodi and My-Courses by the beginning of the course.

[BA in Design timetable 2020-21 first year.pdf](#) is intended for students who will start their studies in **autumn 2020**

[BA in Design timetable 2020-21 second year .pdf](#) is intended for students who started their studies in **autumn 2019**

Please note that your own studies also include elective and language studies, you need to add those to your own schedule.

NOTE: Always check your degree requirements (which courses you must take and when) and then see the exact teaching times and places in **WebOodi!**

NOTE: Remember to make sure that you add the required language studies (if needed) and elective studies to **your own schedule!** Check the times and places of those courses from WebOodi.

Previous program curriculum 2019/2020 timetable

Program curriculum **2019-2020** is intended for students who started their studies in autumn 2019.
