

Online info about student exchange for students of schools of technology today on Friday!

Want to hear more about the student exchange opportunities available for you at schools of technology (CHEM, ENG, ELEC, SCI)? Participate in the online TECH student exchange info today on **Friday 16 October at 14.00 - 15.00**.

The info will be held **in English**.

Link to the event: event is finished.

The info is part of the international [ErasmusDays 2020](#) event celebrated at Aalto this week.

If you cannot attend the info session, see more information on [student exchange opportunities](#) and [international internships](#) in Into.
