The Student Services of School of Art, Design and Architecture does not have their own, specialised student service desk. Most cases can be handled via email, phone or by appointment. You are welcome to visit our meeting point LES Lounge (Väre 3rd floor room M311).

ARTS Student Services has a moderated email-list students-arts. Student Services are responsible for distribution of content and information. The main purpose of the list is to inform study and administrative related matters to all ARTS students. Event or exhibition notifications related to ARTS teaching or studying can be distributed on list. Individual student’s, organizations’ or external stakeholder’s notifications or other communication materials can’t be distributed on this list.

Starting Point - student services office

- Contact information and opening hours

The departments have planning officers and study coordinators in charge of advising students with study related matters. If you have general questions regarding the studies, you can turn to the staff of the programme or major.

Note: Email addresses are in the form firstname.lastname[a]aalto.fi (for letters such as ä or ö, use a and o instead)

Check the meeting point for reserved meetings from the coordinator. Most meetings for Master's students are held in room M311 at Väre and Otakaari 1 A-wing, room A110 for Bachelor students or remotely (Zoom, Teams).
